## Database Collection (users) :

The screenshot displays the MongoDB Compass interface for the 'login-register.users' collection. The left sidebar shows the database structure, including the 'login-register' database and the 'users' collection. The main panel shows the 'Documents' tab with 3 documents. The documents are displayed in a JSON format, showing fields like '\_id', 'unique\_id', 'email', 'username', 'password', and 'passwordConf'.
